REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chesterfield:

I hereby submit my first annual report as Superintendent of Schools.

The excellent organization developed by Superintendent Slade has greatly facilitated the process of "getting acquainted" with the work.

TEACHERS

The beginning of the school year found two new teachers in the Chesterfield schools: Miss Eleanor Clark teaches in the Spofford Advanced school, and Miss Pearl Hale in the Spofford Primary school.

ENROLLMENT

School	Teacher	Present Membership
Chesterfield Primary,	Dorothy Barrett,	14
Chesterfield Advanced,	Marion Stanton,	11
Spofford Primary,	Pearl Hale,	16

BUILDINGS

The buildings in general are in good condition. During the summer electric lights were installed in all the schools. These greatly improve conditions, especially during the dark days of the winter season.

One side of the roof at the Spofford school, which was found to be leaking, has been shingled. New doors have been hung at the Spofford school.

At the West Chesterfield school the entrance to the toilets has been altered according to specifications of the State De-

partment. The chimney at this school was retopped and cleaned.

New locks, which permit the doors to be opened at all times from the inside, have been installed in all the buildings. The school law requires this type of lock for all two room schools.

NEW EQUIPMENT

Sets of Johnston's school maps have been purchased for the Spofford and Chesterfield schools. Each of the sets consists of seven maps, contained in a convenient spring roller case. As a similar set had previously been purchased for the West Chesterfield school, all the schools are now satisfactorily equipped in this respect.

New clocks have been supplied to the Spofford Advanced school and the West Chesterfield school.

In regard to new equipment now needed, I would recommend the following: Shades for all the schools, replacement of the old blackboards at the Spofford school. The desks at the Spofford school are in poor condition. The district might well consider replacing these with the chair type desk units.

HEALTH

Good results have attended the health supervision work. In this very valuable phase of the school system, all have co-operated. A summary of the health conditions, and of the results of the tonsil and dental clinics, will be found under the report of the School Nurse.

An appropriation in the budget makes it possible to continue the hot lunches in the schools during the winter term.

I wish to express my appreciation of the co-operation of the parents, members of the School Board, and teachers.

Respectfully submitted,

LAURENCE O. THOMPSON,
Superintendent of Schools.

REPORT OF SCHOOL NURSE

To Mr. L. O. Thompson,

Supt. of Schools,

Walpole, N. H.

Dear Sir: Chesterfield.

I respectfully submit the following report as school nurse:

84 pupils were examined.
23 pupils were underweight.
48 pupils were in need of dental care.
3 pupils were unvaccinated.
12 pupils showed defective vision uncorrected.
5 pupils showed defective hearing.
13 pupils showed some orthopedic defect.
24 pupils had enlarged or diseased tonsils.
13 pupils had enlarged glands.
99 visits were made and health conditions talked over with parents.

Two tonsil clinics were held at the Elliot Community Hospital, Keene, N. H., nine children were treated.

A Dental Clinic was held October 3rd, and 10th, 1928 with work done as follows:

Total number treated,	21
Total number receiving complete care,	14
Total number having teeth cleaned,	17
Total number silver and porcelain fillings,	80
Total number extractions,	28
Total number operations,	125

The clinic rates were as follows: Cleaning .75c, extractions .50c, silver and cement filling $1.00, porcelain filling $1.25.

The total bill for this work was ninety-nine dollars and fifty cents ($99.50), paid for by the parents of the children having work done. As this work was done for half the regular charges there was a saving of one hundred and two dollars ($102.00).

2 pupils had their teeth cared for by their own dentist.

1 pupil had special eye examination and defect corrected.

2 underweight clinics were held at which 32 pupils were examined by Dr. Robert Kerr of the New Hampshire Tuberculosis Association.

I wish to express the appreciation of the district to the Kurn Hatten Home, Westminster, Vt., for the loan of their dental chair.

Also to the local chapter of the Red Cross for financial assistance.

I wish to express my appreciation of the co-operation of the parents in the work accomplished in the past year.

Respectfully submitted,

FRANCES F. EDGETT, R. N.,
Union School Nurse.

TOWN OF CHESTERFIELD, N. H.

STATE OF NEW HAMPSHIRE

CHESHIRE SS:

To the inhabitants of the school district in the town of Chesterfield qualified to vote in district affairs;

You are hereby notified to meet at the Town hall in said district on the ninth day of March 1929, at two o'clock in the afternoon to act on the following subjects:

Art. 1. To choose a Moderator for the ensuing year.

Art. 2. To choose a Clerk for the ensuing year.

Art. 3. To choose a member of the School Board for three years.

Art. 4. To choose a Treasurer for the ensuing year.

Art. 5. To choose Auditors, Agents and Committees in relation to any article or subjects embraced in this warrant.

Art. 6. To see if the District will vote to accept the amount of money required to be assessed for the ensuing year, for the support of the Public Schools, and the payment of all the statutory obligations of the District, as determined by the School Board Budget and in its annual report.

Art. 7. To see if the District will vote to make any alterations in the amount of money required to be assessed for the ensuing year for the support of public schools of the district, as determined by the School Board in its annual report.

Art. 8. To see if the District will vote to raise the sum of $600.00 for the alterations and repairs of the school buildings, principally in West Chesterfield school house, as the north room does not meet with the state requirements.
